

BADMINTON

Ashaway Zymax 67 £15.50

0.67mm White

Designed for use by all standards, amateur to professional players.

Maintains tension at all tensions for consistent performance.

Ashaway Zymax Fire 66 £16.00

0.66mm Orange

Tailored specifically for players at the high performance end of the spectrum. ZyMax 66 Fire is designed

for precise shot making and is recommended for players that like a stiffer, more control-oriented string bed.

Babolat i Feel 70 £15.00

0.70mm White

For players who break their strings easily, this string offers excellent durability and power.

Babolat i Feel 68 £16.00

0.68mm White

This string offers the best technical balance between feel, power and durability

Yonex BG66 Ultimax £17.00

0.65mm White

The BG66UM has a 0.65mm thin gauge and the perfect balance of maximum

speed, control and durability, making it the best choice for the world's top players.

Yonex BG 80 Power £17.50

0.68mm Yellow

The combination of Yonex original high-intensity nylon multifilament and

high-modulus Vectran provides a solid feeling and powerful smash. For hard hitting players.

ACCESSORIES

GRIPS

Wilson Featherthin Badminton Grip - Black £3.00

Wilson Pro Overgrip - White £2.00

All prices include fitting.

GROMMET SETS

Grommet sets are the lifeline of your racket; they protect your frame and stop the strings from cutting into your frame. Grommet sets can only be replaced when your racket is been strung and prices vary for each frame. There are 100,000 different grommet sets so please call to check available and for price, as a guide they cost between £7.00 and £12.00 (including fitting) depending on the brand.
