GROMMET SETS

Grommet sets are the lifeline of your racket; they protect your frame and stop the strings from cutting into your frame. Grommet sets can only be replaced when your racket is strung, and prices vary for each frame. There are 100,000 different grommet sets so please call to check available and for price, as a guide they cost between £7.00 and £12.00 (including fitting) depending on the brand.
